

'Grind For Good' Auction - Terms and Conditions

Fueling a Cause and Your Caffeine Cravings

Whether you're grinding up a grueling climb or your favorite coffee beans to pull the perfect espresso shot, the collaboration between two industry leaders, Specialized and La Marzocco, was destined to brew something extraordinary. Brace yourselves for a unique fundraising opportunity where you can bid on a one-of-a-kind custom-painted Soil Searching La Marzocco Linea Mini and a matching Specialized Diverge, bringing your barista and gravel bike dreams to life.

TwinsMTBRacing/The Gehrig Twins and Soil Searching have joined forces to fulfil your two-wheeled and caffeinated fantasies and support two incredible causes. First is the Songwa Coffee Farming project "Hands for Songwa" in Tanzania, a coffee farming initiative that aims to empower its members with coffee knowledge and uplift the local community's livelihoods by shining a light on the intricacies of the coffee value chain.

The second charity we're supporting is the NGO Outride, dedicated to improving the lives of youth through cycling. Because bicycles have the power to transform lives far beyond winning races. With this fundraiser, we're seizing the opportunity to make the daily grind a little easier for underprivileged communities.
